## TICINO OUTDOOR "BACK TO NATURE"

Locarno – Ascona

Locarno is a small, charming town situated on the delta of the River Maggia and is full of Mediterranean flair with a uniquely Italian feel. Our 4-day "Back To Nature" package is a perfect way to experience some of the many outdoor activities that the Ticino region has to offer.

### ITINERARY

#### Day 1: Arrival Switzerland

Arrive in Locarno and check into your centrally located 3-star hotel for 3 nights. Dinner this evening is at the Grotto America where you will enjoy a typically Ticinese dining experience in spectacular but rustic surroundings.

#### Day 2: Locarno – Ascona

This morning, enjoy a gentle cycling tour around Locarno and neighbouring Ascona, with its charming piazza lined with restaurants

and cafés, where you can stop for a well-earned break and enjoy lunch in one of the local restaurants. Have an afternoon at leisure with full use of the bicycles before then heading to your early evening activity base, the nearby Lido di Ascona, where you can try the activity of "Stand-up Paddling".

#### Day 3: Locarno and Surroundings

Today, enjoy your final full day in Locarno with a cable car and chairlift ride to Cimetta (1670 m). Once on top, why not take advantage of the many hiking paths.
